Welcome

Welcome to this East Midlands Trains timetable, covering services between Nottingham and Skegness on the Poacher Line.

Following the launch of our new timetable one year ago, we are pleased to announce further enhancements with more trains serving Aslockton station. These improvements follow specific feedback from passengers.

In the past few months we have continued to invest and improve our services for you:

- Our new **eastmidlandstrains.co.uk** website gives exclusive cheaper fares and simplifies buying a ticket for any rail journey in the UK. You can also use 'My Journeys' to get up to date train running and engineering works information.
- We have launched a new facility to allow you to renew your season ticket on our website.
- We have installed new self-service ticket machines at Skegness, Boston, Sleaford and Nottingham. We have now installed a total of 65 new machines at stations across our network.
- Our multi-million pound investment to improve the reliability of our local trains is continuing and is delivering positive results.

We are also pleased that our commitment to train punctuality and performance has continued to pay dividends with performance on our local services improving by over 6% since the launch of East Midlands Trains to 90.3%. We will continue to focus on delivering you with a better service throughout 2010.

Thank you for travelling with East Midlands Trains.
